INTERNATIONAL AFFAIRS

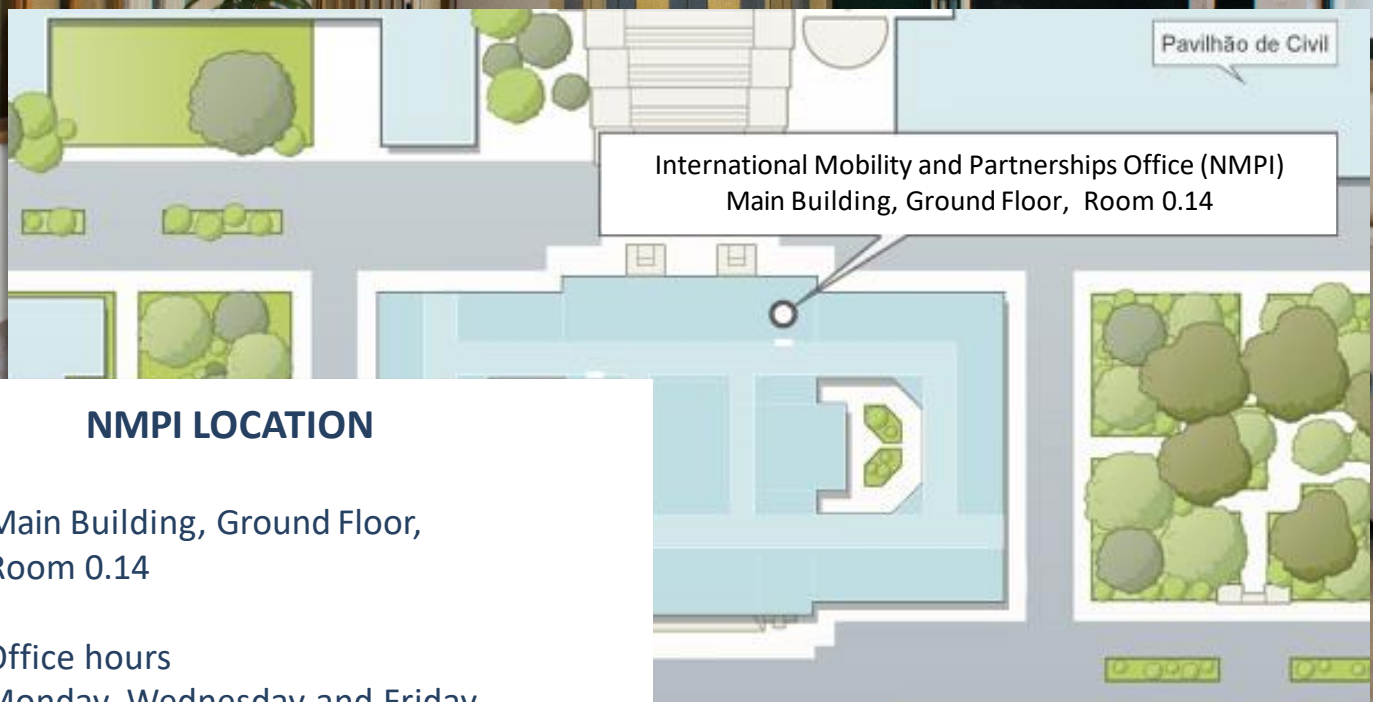

WELCOME MESSAGE

The adventures you are about to embark on will broaden your horizons and expose you to different ideas and cultures. Whether you are an exchange student, a regular international student on one of our innovative, cutting-edge academic programmes or a researcher, we hope that this experience will be memorable and rewarding both personally and professionally.

Every year, the International Mobility and Partnerships Office (NMPI) integrates hundreds of foreign students from over 60 countries into everyday life. You can count on us to answer your questions and assist you with logistical, administrative and academic issues.

Start building your lifelong network of friends, make the most of your contacts with our teaching staff, and explore our labs and world-class research.

We hope you will take advantage of what IST has to offer you.

NMPI LOCATION

Main Building, Ground Floor,
Room 0.14

Office hours

Monday, Wednesday and Friday
10:00-12:00 and 14:00-16:00

Tuesday and Thursday

Front office reception closed

MASTER PROGRAMME AND COORDINATORS AT IST

As an EESIC student, you will be enrolled in the Bologna Master Degree in Environmental Engineering (MEAMB) in IST.

Information about the course can be found in the following webpage:

» <https://fenix.tecnico.ulisboa.pt/cursos/meamb>

You will be enrolled in:

Environmental Modelling

Environmental and Natural Resource Economics

Impact Assessment

Air Quality Management and Climate Change

Elective course to be chosen among:

- Remote Sensing

- Machine Learning

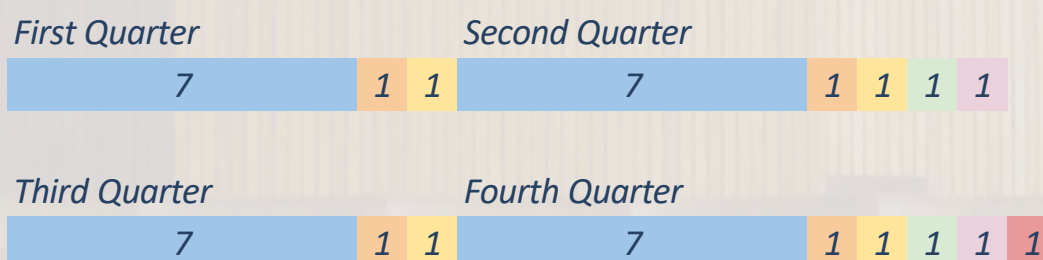

- Decision Support Models

If you need any advice about the course, please feel free to ask the IST Academic Coordinator.

	COORDINATOR	CONTACT
MEAMB	Prof. Tiago Domingos, <i>MEAMB Coordinator</i>	
EESIC	Prof. Marcos Mateus, <i>Academic Coordinator (IST-UL)</i>	marcos.mateus@tecnico.ulisboa.pt
EESIC	Nuno Sarmento <i>Project Support (IST-UL)</i>	nuno.sarmiento@tecnico.ulisboa.pt
	Ricardo Pinto, <i>Student Support (IST-UL)</i>	erasmusmundus@tecnico.ulisboa.pt

ACADEMIC CALENDAR AT IST

Currently, the academic year at IST is divided into two semesters, each comprising two quarters. There are evaluation periods at the end of each seven-week quarter, and an appeal period at the end of each semester.

- 1 Preparation Week
- 1 Evaluation: Normal Period
- 1 Preparation Week (for the Appeal Period)
- 1 Evaluation: Appeal Period
- 1 Special Season of Exams

The official Academic Calendar can be found in this link:

» <https://tecnico.ulisboa.pt/en/education/study-at-tecnico/academic-information/academic-calendars/>

After enrolment on courses, you will be able to enroll on shifts, using the Fenix Platform, an online collaboration software created for the Universidade de Lisboa. There you will be able to check classrooms and shifts.

You can also use an alternate timetable generator. No login required to create your customized timetable.

Make sure you select the English version by clicking the globe icon (top right):

» <https://web.tecnico.ulisboa.pt/joanasesinando/gerador-horarios/>

INSTITUTO SUPERIOR TÉCNICO, UNIVERSIDADE DE LISBOA

INSTITUTO SUPERIOR TÉCNICO

Located in the one of the central parts of Lisboa, Técnico Lisboa's main campus benefits from a dense transport network, enabling you to go to any part of the city with a few changes.

In its vicinity, you will find shopping, leisure, culture, entertaining and sports areas.

Learn the history about IST here:

» <https://tecnico.ulisboa.pt/en/about-tecnico/institutional/historia/>

SERVICES AND SUPPORT OFFICES

Students' Union (AEIST)

www.aeist.pt

Online guides to help you in early days at IST. List of services and sports, cultural and leisure activities provided.

IST Library (BIST)

bist.tecnico.ulisboa.pt

Scientific publications, access to computers and study rooms. Online leaflets of the publications available in the Libraries: Main Building, Departments, Interdisciplinary Building and Taguspark.

Information Services Division (DSI)

dsi.tecnico.ulisboa.pt

The DSI staff can help you solve problems related to your Fénix System connection or IST email account.

Pedagogical Board (CP)

conselhopedagogico.tecnico.ulisboa.pt

Any pedagogical problem can be solved here, namely exam schedules and assessment methods.

Mobility and International Partnerships Office (NMPI)

aai.tecnico.ulisboa.pt/en/

Interested in long or short duration mobility programmes such as ATHENS? NMPI, on the ground floor of the Main Building will, provide you more information and procedures.

Academic Unit (AA)

academica.tecnico.ulisboa.pt

The Student Registrar gives you information about your registration/enrolment.

Health Services Técnico Lisboa

saude.tecnico.ulisboa.pt

It gives students medical support in the areas of general medicine, dental medicine, psychology, clinical analyses, among other specialties.

Student Support Office (NAPE)

nape.tecnico.ulisboa.pt

It promotes the integration of the students at IST through several activities under the Mentoring programme which are organized with the cooperation of mentors or guides; it supports students with special educational needs, among other things.

Pedagogical Management Office

gop.tecnico.ulisboa.pt

Class schedule definition and assessment maps. Classrooms reservation and class shifts management.

The Academic Development Office (NDA) is responsible for developing teaching and learning strategies that enhance the academic and career development of students, as well as IST professors and researchers. This is achieved by implementing coaching, mentoring, and tutoring practices in line with the activity plans of IST's Scientific and Pedagogical Councils.

This office will also support you if you have an illness or disability that has been medically certified. For example, students with Attention Deficit Hyperactivity Disorder (ADHD) or dyslexia may be given extra time for their exams.

As this is a private matter, you are asked to contact the office directly. The Joint Programmes student support team can also email on your behalf (formal request for support), but they will still wait for voluntary contact from you.

Check their website for a more detailed information:
» <https://nda.tecnico.ulisboa.pt/en/estudantes/>

NDA Contacts

E-mail: nda@tecnico.ulisboa.pt

LIBRARIES IN LISBOA CAMPUS

Library of the Civil Engineering and Architecture Department and Georesources

Location: Civil Engineering Building
Opening hours: 09:00am – 06:00pm

Library of the Mechanical Engineering Department

Location: Mechanical I Building
Opening hours: 09:00 – 06:00pm

Document unit of Chemical Engineering and Bioengineering

Location: South Tower
Opening hours: 09:00am – 08:00pm

Document unit of Electrical and Computer Engineering

Location: North Tower
Opening hours: 09:00am – 08:00pm

Document unit of Physics and Mathematics

Location: Interdisciplinary Building
Opening hours: 09:00am – 08:00pm

Library of the Department of Mathematics

Location: Mathematics Building
Opening hours: 10:00am – 01:30pm

Technological Laboratories offer every IST student specialized software for different course units.

They also provide printing services (small and large formats) and training courses that complement subjects taught, in order to help develop future projects.

These labs not only offer you a place to study but also a computer so that you do not need to bring your PC daily.

Information Technology Laboratory of the Chemical Engineering and Biotechnology Department (LTI-DEBQ)

Located on the 5th floor of the South Tower, the LTI-DEBQ offers various computers for IST students, and delivers printing services for all types of requirements. It is open from Monday to Friday, 08:00am to 08:00pm.

ltideqb.tecnico.ulisboa.pt

Information Technology Laboratory of the Civil Engineering Department (LTIDECivil)

The LTI DECivil is located on the 1st floor of the Civil Engineering Building. It delivers a wide range of services such as training courses, printing services for all types of requirements. It is open from 08:00am to 11:00pm during the classes period and from 09:30am to 18:30pm on Saturdays during the exams, selling exam sheets after-hours for any emergency.

ltidecivil.tecnico.ulisboa.pt

Computer room of the Electrical and Computer Engineering Department (SCDEEC)

Located on floor -2 of North Tower, the SDEEC offers not only its computer resources with specialized software but also printing and scanning services. It is open from 09:00am to 08:00pm during the classes period and from 09:00am to 07:00pm during the exams. It is also open on many Saturdays from 09:00am to 07:00pm.

scdeec.tecnico.ulisboa.pt

Computer-Assisted Mechanical Engineering Laboratory (LEMAC-LTI)

Located on the ground floor of the Mechanical II building, the LMAC-LTI makes available its software for use and delivers printing services and training actions. It is open from Monday to Friday.

IST HEALTHCARE SERVICES

Instituto Superior Técnico has a Medical Center that provides healthcare facilities and services for national and international students, researchers and lecturers. Our healthcare professionals are fully accredited.

Location: Social Action Building (Medical Center)

Contacts: +351 218 419 343 / 640 saude@tecnico.ulisboa.pt

Website

saude.tecnico.ulisboa.pt

The IST Medical Center (NMAP) provides a complete range of primary care and specialized services such as:

- Andrology
- Cardiology
- General Practice
- Obstetrics
- Gynecology
- Dermatology
- Dentistry
- Ophthalmology
- Optometry
- Orthopedics
- Pediatrics
- Urology
- Psychiatry
- Psychology
- Psychotherapy and Counseling (children, adolescents, adults, family therapy, speech therapy)
- Nutrition and Diet
- Nursing Services

Further information including procedures for making appointments, blood tests, diagnostic exams, and other available services, contacts, office hours and fees are available at: saude.tecnico.ulisboa.pt

To have access to public health services in Portugal, E.U. citizens must have **European Health Insurance Card (EHIC)**.

Non-EU citizens must have health insurance during the whole period of studies. Please make sure that your insurance policy is valid in Portugal.

IST GRADING SCALE

The IST classification scale ranges from 10 to 20, linearly, in which 10 is the minimum mark to obtain approval. The awarding of ECTS classification is based on the distribution of marks obtained by all the students approved in the course unit in the last three academic years (can be extended to the last four or five years, if necessary), according to the following distribution:

ECTS Classification	Mean % of achieving students in a course unit	Definition
A	10	10% - Highest classifications on the 10-20 mark scale
B	25	25% - Following classifications on the 10-20 mark scale
C	30	30% - Following classifications on the 10-20 mark scale
D	25	25% - Following classifications on the 10-20 mark scale
E	10	10% - Lowest classifications on the 10-20 mark scale

ECTS CREDIT UNIT

Unit of measure of student work corresponding to the European System of Credit Transfer and Accumulation System (European Credit Transfer and Accumulation System).

One academic year of full-time work corresponds to 60 ECTS credits, considering for such the total number of annual working hours of 1680.

One ECTS credit corresponds to 28 hours of work (includes classroom activities, assessments and autonomous work).

For more details, check our page:

» <https://aai.tecnico.ulisboa.pt/en/nucleo-de-mobilidade-e-parcerias-internacionais/do-mundo-para-o-tecnico/informacao-util-2/sistema-de-equivalencia-ects/>

IST STUDENT INSURANCE

**This insurance is mandatory for ALL Técnico Lisboa students
It must be activated upon arrival, via Fenix**

Insurance policy number:
0023.10.028229

Price per student: €2,10

Coverage	Amount Insured
Death	40 000,00€
Permanent Disability	40 000,00€
Treatment Expenses, tests and Repatriation	10 000,00€
Funeral Expenses	4 000,00€
Civil Liability - Students	10 000,00€
Civil Liability - University of Lisbon	25 000,00€

More information about the insurance can be found here:

<https://tecnico.ulisboa.pt/en/education/study-at-tecnico/academic-information/tuition-fees-and-insurance/>

PORTUGUESE LANGUAGE COURSE

PORTUGUESE LANGUAGE COURSE

This course is aimed at the foreign community residing in Portugal who do not have Portuguese as their native language and who aim to achieve an initial level of proficiency. In addition to developing language skills that allow communication in Portuguese through simple structures and basic vocabulary to meet specific needs, the training also enables the acquisition of basic knowledge for social and professional integration.

At the end of this course, it is intended that you have acquired knowledge in the scope of vocabulary and grammatical structures that allow them to understand elementary ideas and communicate appropriately in simple everyday situations.

YOU SHOULD THEREFORE BE ABLE TO

- Understand and use everyday expressions and simple sentences to meet specific communication needs.
- Introduce themselves and others and be able to ask and answer questions about personal aspects, such as where they live, the people they know, and the things they have.
- Communicate simply if the interlocutor speaks slowly and distinctly and is cooperative.

PORTUGUESE LANGUAGE OBJECTIVES

- Identify oneself and others.
- Greet / say goodbye to someone.
- Know how to ask for and give information.
- Describe sequences of actions in the present.
- Make requests.
- Express likes and preferences.
- Ask about prices and make payments.
- Talk about the body and physical condition.
- Understand simple instructions at the doctor's.
- Know how to go to the pharmacy.
- Select a job from advertisements.
- Conduct a job interview.
- Characterize the work environment.
- Interact in a team.

SPORTS

AT CAMPUS

To know what sports are available at Alameda Campus you should contact our Students Union. AEIST provides a broad range of sports and cultural activities and organizes several academic events, involving all IST community.
