

# INSTITUTO SUPERIOR TÉCNICO

## Técnico Lisboa in the world:

**1<sup>st</sup>** among Portuguese  
Engineering universities in  
the **US News, Times, URAP,  
Scimago and Shanghai**  
academic rankings

Ranks among the **11 best  
European Engineering and  
Technology schools** and 50  
in the world, according to  
the US News

Ranks **among the 20 best  
European Engineering and  
Technology** institutions,  
according to the Shanghai,  
URAP and Scimago  
rankings

### Academic Programmes

#### BSc / 1<sup>st</sup> cycle (3 years)

Aerospace Engineering  
Biological Engineering  
Biomedical Engineering  
Civil Engineering  
Materials Engineering  
Mining and Energy Resources  
Telecommunications and Informatics Engineering  
Environmental Engineering  
Industrial Engineering and Management  
Electronics Engineering

#### MSc / 2<sup>nd</sup> cycle (2 years)

Bioengineering and Nanosystems  
Biotechnology  
Bioengineering: Regenerative and Precision Medicine  
Aerospace Engineering  
Environmental Engineering  
Biological Engineering  
Biomedical Engineering  
Data Science and Engineering  
Civil Engineering  
Electronics Engineering  
Electrical and Computer Engineering  
Pharmaceutical Engineering  
Engineering Physics  
Mining and Geological Engineering  
Engenharia e Gestão Industrial  
Science and Technology for the Cultural Heritage  
Engineering and Management of Innovation and Entrepreneurship

#### BSc / 1<sup>st</sup> cycle (3 years)

Electrical and Computer Engineering  
Engineering Physics  
Computer Science and Engineering (Campus Alameda)  
Computer Science and Engineering (Taguspark)  
Mechanical Engineering  
Naval Architecture and Ocean Engineering  
Chemical Engineering  
Applied Mathematics and Computation  
Architecture\*  
General Engineering Science Course (taught in English- to be implemented in 22/23)

\*the only degree that works with the Integrated Master System -2nd cycle is taught in English (3+2 years)

#### MSc / 2<sup>nd</sup> cycle (2 years)

Mechanical Engineering  
Naval Architecture and Ocean Engineering  
Chemical Engineering  
Energy Engineering and Management  
Telecommunications and Informatics Engineering  
Information and Enterprise Systems  
Mathematics and Applications  
Microbiology  
Territorial Management and Urban Studies  
Radiation Protection and Safety  
Chemistry  
Information Security and Cyberspace Law  
Transportation Systems  
Information Systems and Computer Engineering (Alameda & Taguspark)  
Materials Engineering  
Industrial Engineering and Management  
Petroleum Engineering

**11.000**

## Admission Requirements for International Students

- Foreign students other than EU Member States.
- Students that, when not nationals of a Member State of the EU, do not reside legally in Portugal for more than two years uninterruptedly.
- Students who hold a diploma of completion of secondary education (high school) or equivalent in their home country.

When an applicant has two or more citizenships and one of them corresponds to an European Union Member State, including Portugal, he or she cannot apply for International Student vacancies, but he or she must apply for EU/National vacancies.

**Students who don't fulfill the requirements for International Student should contact the Admissions Office as soon as possible.**

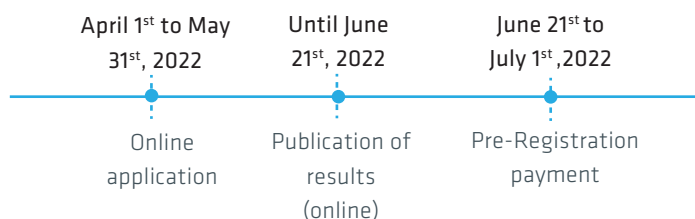

## Applications 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> cycles

All selection, registration and enrollment processes must be concluded by September 30<sup>th</sup>.

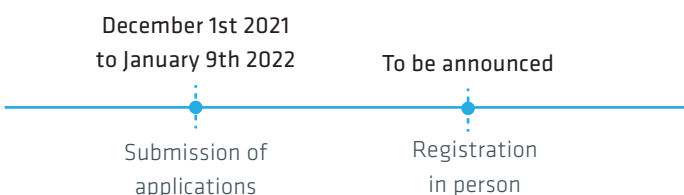

### 1<sup>st</sup> Round/Call - 1<sup>st</sup> cycle Bachelor and 2<sup>nd</sup> Cycle Master

### 2<sup>nd</sup> Round/Call - 1<sup>st</sup> Cycle Bachelor and 2<sup>nd</sup> Cycle Master

### Two calls - 3<sup>rd</sup> Cycle - PhD

## LIVING COST IN LISBON

**Accommodation (room)** - 375-550€ per month

**Accommodation (flats)** - 550-900€ per month

**Accommodation** - 180€ per month

**Meals** - +/- 200€ per month

**Bus, metro/train pass** - 30€ per month

**Cinema** - 7€

**Museums** - 2-15€

## Required Documents

Applications for a specific course/degree or study cycle programme are made online. The applicant must provide all the documents mentioned in the Regulation, as well as a motivation letter referring to the selected course or study cycle. To complete the application process it is necessary to submit the following scanned documents as PDF files:

- Recent photo
- Up-to-date CV
- Official academic transcript proving that you have completed secondary (high school) education or equivalent in the country of origin and proof of access to higher education examinations (this applies only to the applicant's to 1st study cycle)
- Official academic transcript of records of Bachelor degree and Diploma (this applies only to the applicant's to 2nd study cycle)
- Document specifying the type of grading scheme used on the academic records.
- Document certifying the applicant's Portuguese language level (this applies only to the 1st study cycle).
- Statement under oath, that the applicant does not have Portuguese nationality nor any other country nationality that is member of the EU and fulfills the requirements needed for the Access and Admission category for International Students.
- Bank transfer slip of the payment for the application fee.
- Display of the identification document (passport, foreign citizen card or other appropriate), or, when authorized by the applicant, a simple photocopy of the identification document.

Applicants should refer to the IST Regulations for Admission of International Students of 1st, 2nd, 3rd cycle for further information related to documents and validation.

## Tuition Fees

1<sup>st</sup> and 2<sup>nd</sup> cycle: 7.000 € / year

- 2.000 € paid upon pre-registration
- 1.000 € x 5 months (September 2020 until May 2021) paid monthly

3<sup>rd</sup> cycle: 2.750 € / year

- 50% paid upon enrolment
- 50% until the end of Feb. or Aug.

**Application fee:** 100 € per degree (BSc)  
100 € per degree (MSc)
