

# **GUIDE FOR INCOMING STUDENTS**

## **GENERAL INFORMATION AND APPLICATION PROCESS**

The background of the entire page is a blurred photograph of a library. On the left, there are tall bookshelves filled with books of various colors. In the background, several students are seated at tables, some looking at laptops or books. The overall atmosphere is quiet and academic.

# WELCOME!

## **Welcome to Técnico!**

This guide has been prepared to help all future incoming students to make their official application on Técnico's platform (Connect). You will also find general information about the application which is crucial for your entire study period to be properly recognised. It's the first step in an unforgettable adventure! Let's go?

- NMCI Team

# GENERAL INFORMATION

## Important Information

- Applicants must choose the **majority of the courses/subjects (>51%), not ECTS credits**, in the selected Degree at Técnico;
- Applicants cannot change their Degree after the Onboarding deadline (Phase 2).

**Tip:** We recommend 30 ECTS per semester, but you can select a maximum of 36 ECTS

### ATTENTION!

If you do not respect these indications, your application will be rejected.

## Documents Required For Your Application

- Passport (Outside Europe) or European ID and an ID photo;
- Learning Agreement;
- Official Transcript of Records;
- **English Certificate Level B2:** any Official Language Certificate, Official Declaration from Home University or digital certificates from EFSET or Duolingo are also accepted.

# PHASE 1 - CREATING AN ACCOUNT

**1 - To officially enroll in Técnico, you must create your account on the Connect Platform. If you already have an account, simply log in; otherwise, these are the steps to follow:**

The screenshot shows the 'Connect' interface for Técnico Lisboa. At the top left is the logo, which consists of a blue shield with the letters 'ifl' inside, followed by the text 'TÉCNICO LISBOA'. In the center is a blue outline icon of a flag with a shield on it. Below the icon is the word 'Connect' in a bold, black font. Underneath that is a welcome message: 'Welcome to Connect. If this is your first time in this platform, create an account before proceeding. If you already have an account, log in.' At the bottom are two buttons: a solid blue button labeled 'Login' and a white button with a blue border labeled 'Create account'. A large green arrow on the left points to the 'Login' button, and a large green arrow on the right points to the 'Create account' button.

 TÉCNICO LISBOA

**Connect**

Welcome to Connect. If this is your first time in this platform, create an account before proceeding.  
If you already have an account, log in.

Login

Create account

# PHASE 1 - CREATING AN ACCOUNT

The screenshot shows a web interface for T3Cnico Lisboa. At the top left is the logo, which consists of a blue shield with a white 'T3' inside, followed by the text 'T3Cnico LISBOA'. Below the logo is a blue link with a left-pointing arrow and the text 'Previous step'. In the center is a blue outline of a shield with a checkmark inside. Below this icon is the heading 'First of all...' in bold. Underneath the heading is a paragraph: 'First of all, we will need to confirm your email address and associate a two factor authentication method.' Below this paragraph is another paragraph: 'Check if you have access to your email account and you have your phone with you.' At the bottom is a large blue rectangular button with the word 'Start' in white text.

 T3Cnico LISBOA

[< Previous step](#)

**First of all...**

First of all, we will need to confirm your email address and associate a two factor authentication method.

Check if you have access to your email account and you have your phone with you.

[Start](#)

**2 - Follow the instructions presented in the image. It is important to have access to your email account and to have a phone with an operational number with you.**

# PHASE 1 - CREATING AN ACCOUNT

[← Previous step](#)

### Tell us your email address

Please insert your personal email. This email will be connected to your Técnico account and it'll also be used by our team to contact you, if necessary.

Email \*

nmci.istulisboa@gmail.com

 Não sou um robô   
reCAPTCHA  
Privacidade • Termos de Utilização

Receive confirmation code

[← Previous step](#)

### Verify the code sent to you

The code was sent to the email  
**nmci.istulisboa@gmail.com**  
Open your email account and insert below the confirmation code that we sent to you.

Confirmation Code \*

1a4f74c403e7104790094e602cbc08a8cXXX|

Verify confirmation code

### Email validated successfully

Your email was validated. Now you need to associate a two factor authenticator method to your account.

Continue register account

**3 - Validate your email account with the e-mail account you used to be nominated in your home university.**

# PHASE 1 - CREATING AN ACCOUNT

**3 - Now you need to authenticate the account through Two Factor Authentication, where you should choose one of the available options to do so.**

The screenshot shows a mobile application interface for 'TÉCNICO LISBOA'. At the top left is the university's logo. In the center is a blue padlock icon with a keyhole. Below the icon, the title 'Two factor authentication' is displayed. A subtitle reads: 'Choose one of the following two factor authentication methods to use in your account and continue.' There are two options listed, each with an icon and a description. The first option, 'Mobile phone number', is accompanied by a smartphone icon and a green arrow pointing to it from the left. The second option, 'One time password (OTP)', is accompanied by a QR code icon and a green arrow pointing to it from the right. At the bottom of the screen, there are two links: 'Cancel account creation process' on the left and 'Português' on the right.

 **TÉCNICO LISBOA**

**Two factor authentication**

Choose one of the following two factor authentication methods to use in your account and continue.

 **Mobile phone number**  
You need a valid mobile phone number.

 **One time password (OTP)**  
Use an OTP app like Google Authenticator, to read the QR code and have access to your one time password.

[Cancel account creation process](#) [Português](#)

# PHASE 1 - CREATING AN ACCOUNT

4 - If you choose your mobile phone number to authenticate your account, make sure you introduce an operational phone number.

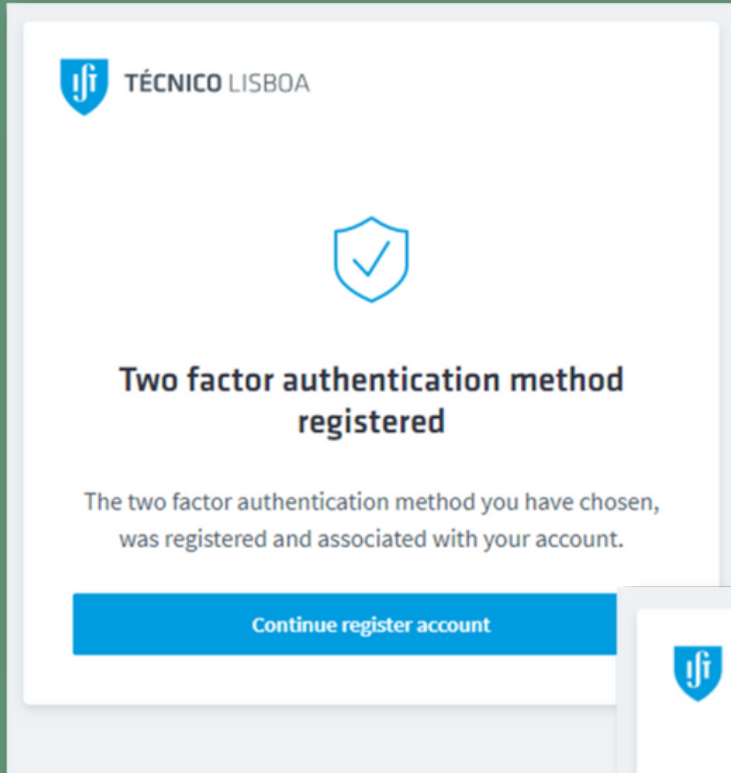

You will then receive a confirmation code that you must enter on the platform in order to continue your registration.

The image shows a three-step process for creating an account using a mobile phone number:

- Step 1: Tell us your mobile phone number**  
This screen features a blue outline of a smartphone icon. Below the title, it states: "Besides confirming that the mobile phone really belongs to you, this information will also be usefull to contact you." There are two input fields: "Country \*" with a dropdown menu showing a flag and "+351", and "Phone Number \*" with the placeholder "9XXXXXXXX". A blue button at the bottom says "Receive confirmation code".
- Step 2: Verify the code sent to you**  
This screen has a blue icon of two speech bubbles. It says: "Verify the code sent to you". Below, it informs: "The code was sent to the mobile number +351 [redacted]". It then instructs: "Open your SMS application and insert below the confirmation code that we sent to you." There is a "Confirmation Code \*" field with the placeholder "XXXXXX" and a blue button labeled "Verify confirmation code".
- Step 3: Mobile phone number validated successfully**  
This screen displays a green checkmark icon. The title is "Mobile phone number validated successfully". It confirms: "Your mobile phone number was validated and associated to your Técnico account." A blue button at the bottom says "Continue register account".

# PHASE 1 - CREATING AN ACCOUNT

**5 - Confirm if your chosen method of two-factor authentication has been registered with success.**

# PHASE 1 - CREATING AN ACCOUNT

## Identity Validation

Use one of the methods below to validate your identity.

If you do not have a Portuguese Citizen Card/Portuguese Mobile Authentication Key and the corresponding codes, then you must first fill out your personal information in order to access one of the following identity validation methods: (1) Scheduled video call, where an interactive video call is schedule with our support services OR (2) Image capture via webcam, where you will take a photo of yourself and your documents, which will be validated by our services afterwards.

### Portuguese Citizen Card

Use a card reader.

### Chave Móvel Digital

You need to have access to your PIN code and mobile phone with the number associated with your Portuguese Citizen Card.

### Scheduled video call

You need to fill your personal data to use this identity validation method.

### Image capture via webcam

You need to fill your personal data to use this identity validation method.

Have doubts? [Get help](#)

## Personal Information

Fill the personal information form to complete your profile.

### Fill your personal information

Access your profile and fill the personal information form.

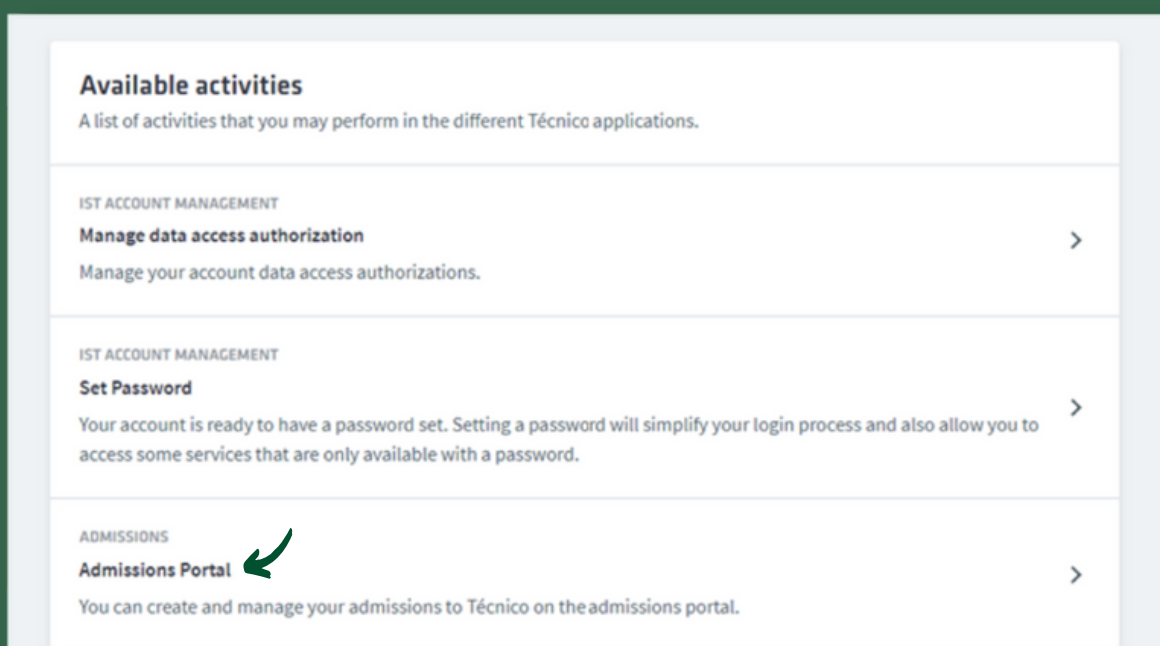

**6 - Next you must validate your identity through one of the four available options and fill in your personal information.**

**P.S.: in this image only two options appear in the Identity Validation part, but in your case all four should appear.**

# PHASE 2 - ADMISSION PLATFORM

**1 - With the Check Validation on Identity Validation and Personal Information, you must proceed to the Admission Portal. Make sure you are on the main page of the Connect – Admission Platform!**

## My processes

New process

OVERVIEW RESULTS

## 2 - Select "New Process"

**3 - Choose "I want to enrol via mobility program (Erasmus, OutsideEurope, etc.)"**
