What if I need a transcript for me (to apply for a job, PhD, etc.)?

You can receive a scanned copy of your official transcript (grades in local scale and in ECTS; ECTS credits for each course). The Mobility Office can also print your records from the Academic Platform (Fénix), sign and stamp the document (grades in local scale; ECTS credits for each course). You may also extract your records from Fénix. However, if you need a hard copy of your **official transcript** from IST, you should request and pay for it via Graduate Unit (graduacao@tecnico.ulisboa.pt – mention your student number). Please note that the Graduate Unit does not “certify” copies, but they can re-issue your official transcript or, if your Degree Certificate has already been issued, they’ll re-issue this instead (includes list of completed courses at IST and at your Year 1 / Year 2 School).

Do I need to send my transcript from my Year 1 / Year 2 School to IST?

The Dissertation will not be publicly available; it will be attached to your student file in the Graduate Unit., for Institutional archive.

How long do I have to wait to receive the Degree Certificate, Diploma and Diploma Supplement?

Before these documents are issued, your equivalency process must be concluded (recognition of courses done at your Year 1 / Year 2 School). The equivalency process is prepared by the Local InnoEnergy Coordinator and the MEGE Coordinator and will follow to the Graduate Unit for further administrative procedures. As soon as this is concluded, your Degree Certificate will be issued by the Graduate Unit. However, due to the number of procedures required from the Local Programme Coordinators, MEGE Coordinator and the Graduate Unit, please keep in mind that it may take several months in order for these documents to be ready. You will be contacted by IST as soon as the documents are issued.

What if I change my address, how will you send the Degree Certificate, Diploma and Diploma Supplement?

IST will send you an e-mail with the scanned copy of the documents and ask you to confirm the postal address to where these documents should be sent.
