IST Identification Card

Within the scope of the existing Protocol between Instituto Superior Técnico and Banco Santander S.A., the identification card is issued with the cooperation of the bank, with benefits for students and other users of the School.

The identification card is mandatory and totally free, and its use is essential for the proper functioning of the School's services.

Therefore, I declare that I have been informed that the Instituto Superior Técnico will send the following data to Banco Santander S.A., for the purposes of issuing and using the Instituto Superior Técnico identification card:

- Técnico ID
- Name
- Photo
- Role on IST (Student, Teacher, Employee, Researcher, Grant Owner)

Acknowledged personal data access to issue the IST Identification Card?
Did not acknowledge personal data access

I declare that I do authorize Instituto Superior Técnico to transfer the following data to Banco Santander S.A., for the purposes of a potential bank account opening:

- Técnico ID
- Full name
- Email
- Phone/Mobile number
- Role on IST (Student, Teacher, Employee, Researcher, Grant Owner)
- Curricular year
- Identification document number
- Nationality
- Home address
- Enrollment academic year
- Name and type of degree
- Number of enrollments

○ I authorize the data access

○ I do not authorize the data access
