micampus Areeiro

your new university home

#ExclusiveSpaces
FOR EXCEPTIONAL PEOPLE

micampus residencias

We are the leading network of university residences in the Iberian Peninsula, with 53 residences in Spain and Portugal that host thousands of students every year.

Our mission is to create spaces where young people can grow academically, personally, and socially.

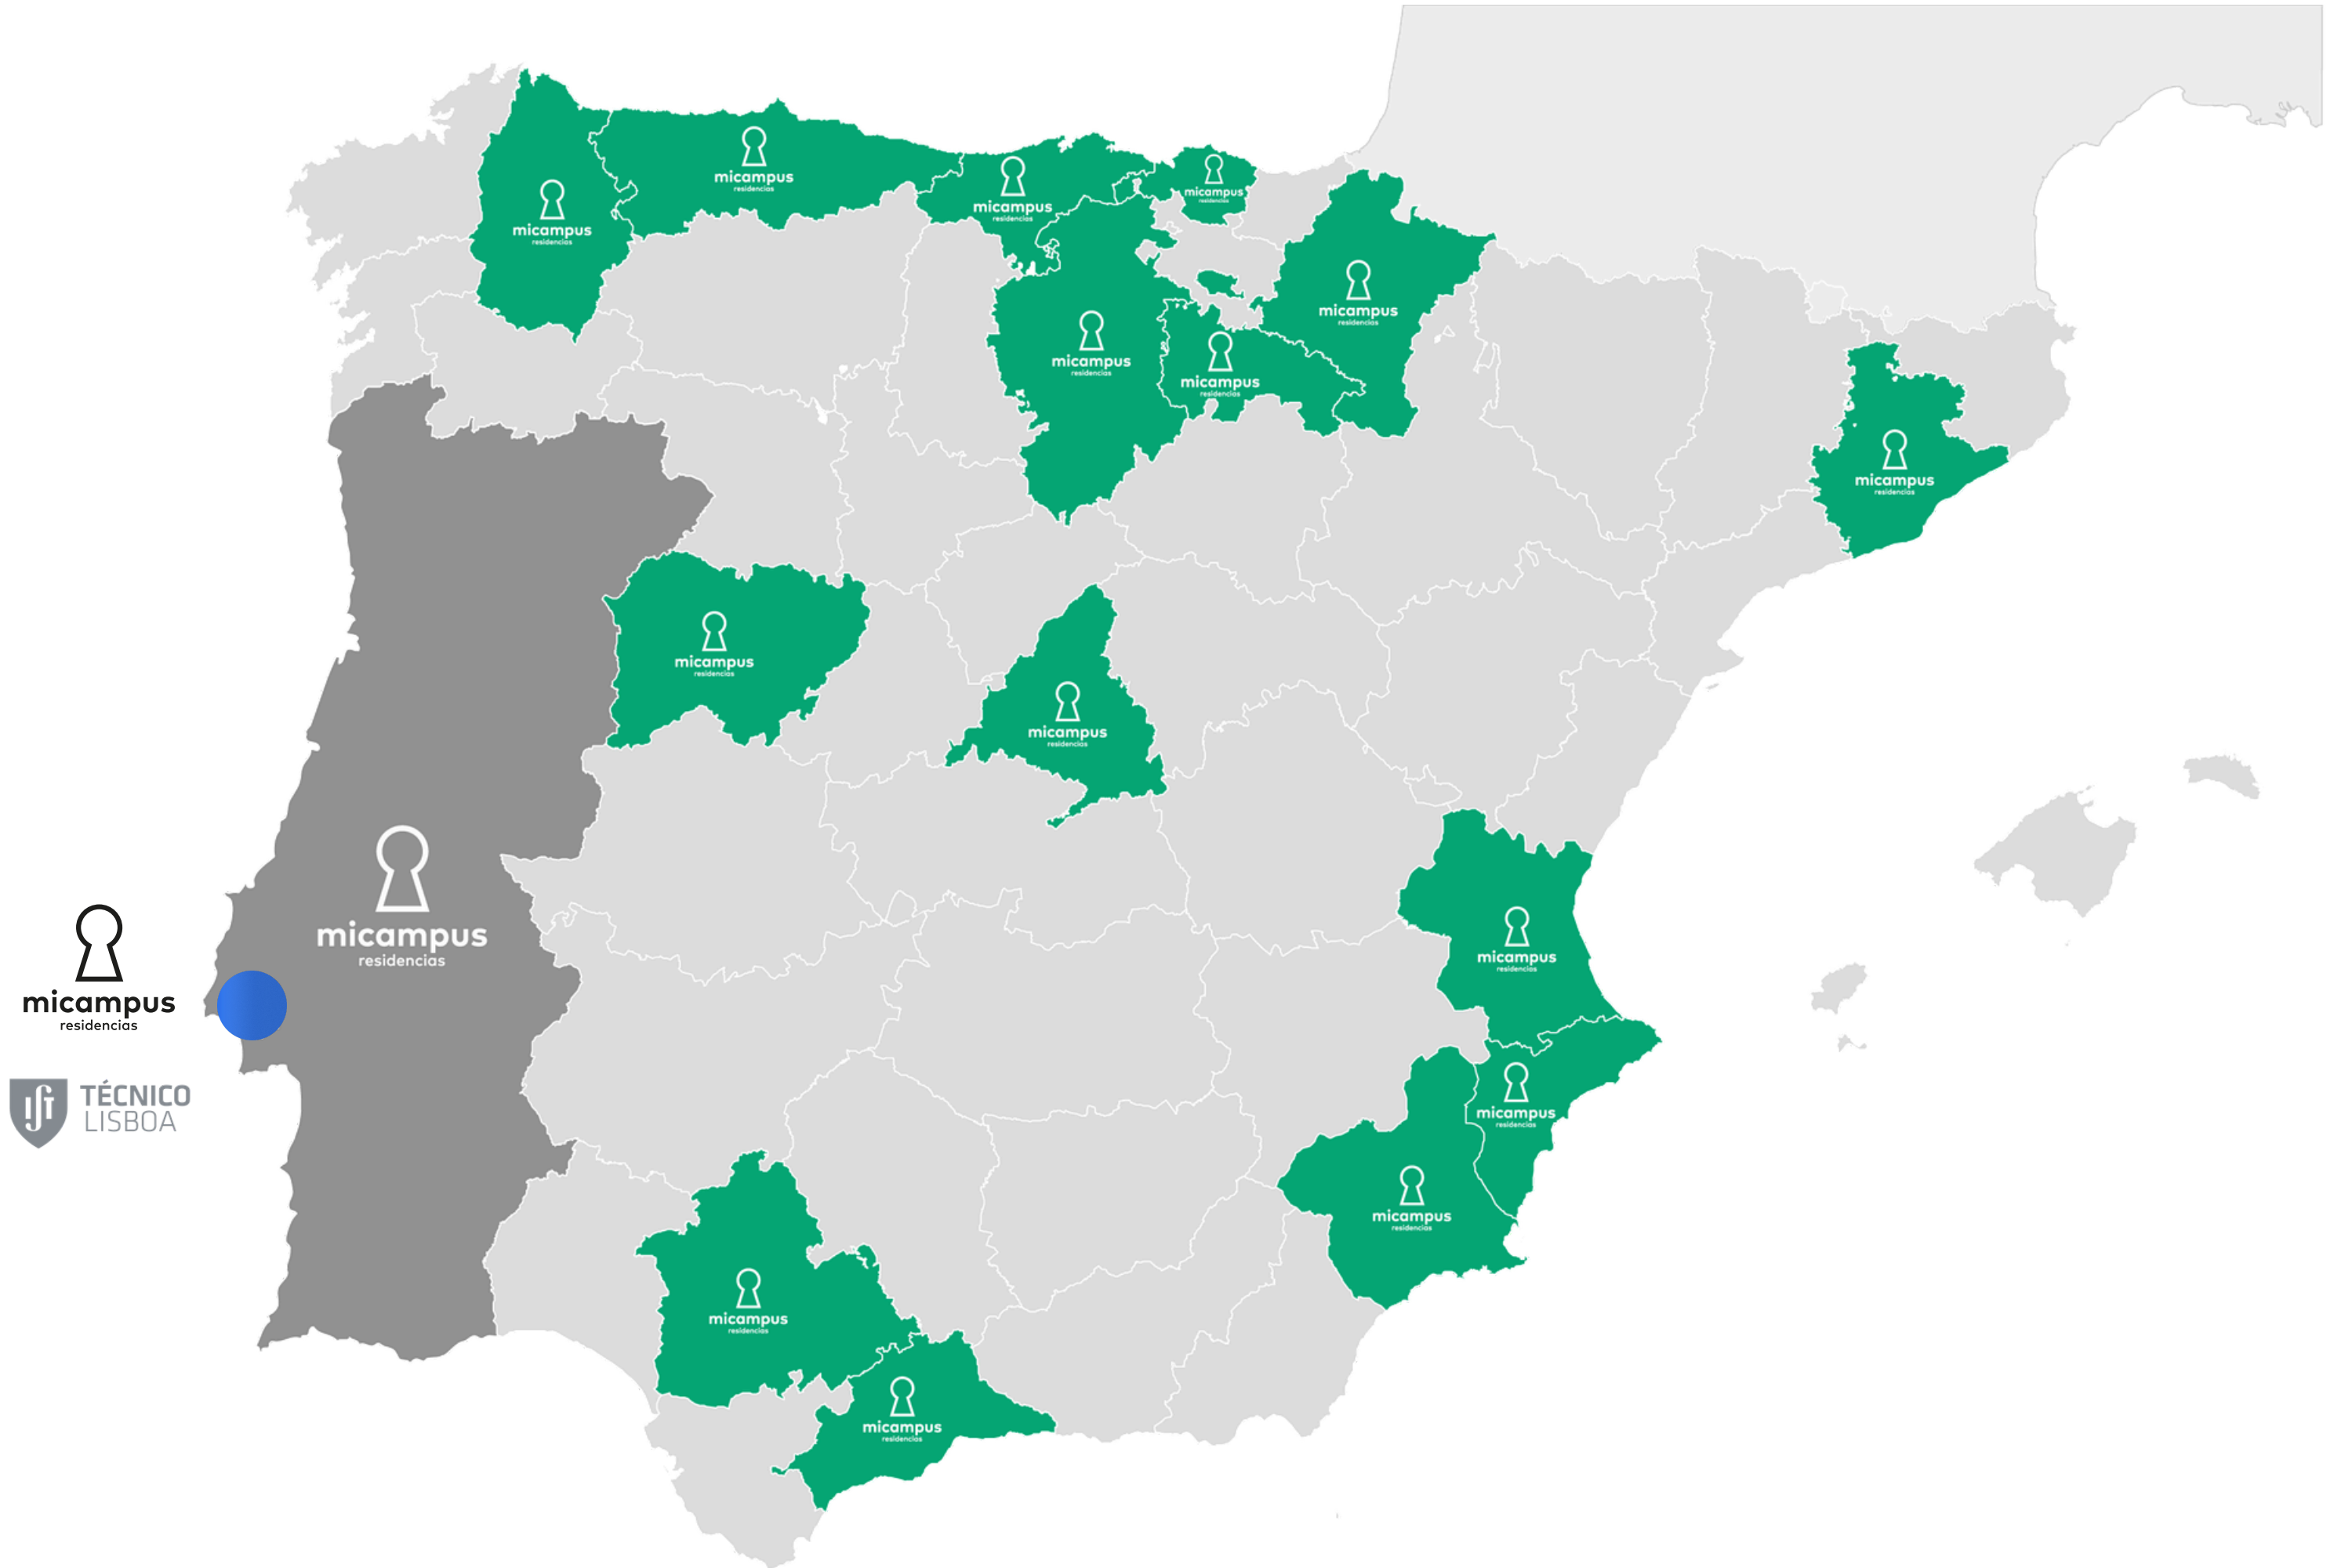

We combine state-of-the-art facilities with personalized services that promote student success and foster a sense of belonging.

#03

Over 25 years housing students.

+ 53 residences
+ 20 cities

We want to create mutual value.

To strengthen the visibility of micampus Areeiro within the university ecosystem and build direct trust with students and educational institutions.
