Técnico Lisboa in the world:

1st among Portuguese Engineering universities in the **US News, Times, URAP, Scimago and Shanghai** academic rankings

Ranks among the **11 best European Engineering and Technology school**s and 50 in the world, according to the US News

Ranks **among the 20 best European Engineering and Technology** institutions, according to the Shanghai, URAP and Scimago rankings

Academic Programmes

*vacancies for International Students to be defined

BSc / 1st cycle (3 years)	# international Student Places*
Aeroespace Engineering	
Biological Engineering	
Biomedical Engineering	
Civil Engineering	
Materials Engineering	
Mining and Energy Resources	
Telecommunications and Informatics Engineering	
Environmental Engineering	
Industrial Engineering and Management	
Electronics Engineering	

BSc / 1st cycle (3 years)	# international Student Places*
Electrical and Computer Engineer-	
Engineering Physics	
Computer Science and Engineering (Campus Alameda)	
Computer Science and Engineering (Taguspark)	
Mechanical Engineering	
Naval Architecture and Ocean Engineering	
Chemical Engineering	
Applied Mathematics and Computation	
Architecture**	
General Engineering Science Course (taught in English)	

** the only degree that works with the Integrated Master System –2nd cycle is taught in English (3+2 years)

MSc / 2nd cycle (2 years)	# International Studentes Places*
Bioengineering and Nanosystems	
Bioengineering in Regenerative and Precision Medicine	
Biotechnology	
Aerospace Engineering	
Biological Engineering	
Biomedical Engineering	
Civil Engineering	
Materials Engineering	
Engineering in Energy Resources	
Telecommunications and Informatics Engineering	
Environment Engineering	
Industrial Engineering and Management	
Electrical and Computer Engineering	
Pharmaceutical Engineering	

MSc / 2nd cycle (2 years)	# international Student Places*
Engineering Physics	
Mining and Geological Engineering	
Computer Science and Engineering (Campus Alameda)	
Computer Science and Engineering (Campus Taguspark)	
Mechanical Engineering	
Naval Architecture and Ocean Engineering	
Information and Enterprise Systems	
Mathematics and Applications	
Molecular Science and Engineering	
Radiation Protection and Safety	
Chemical Engineering	
Electronics Engineering	
Energy Engineering and Management	
Transportation Systems	

11.500 Students

>700 Agreements with HEIs around the world

57 Double Diploma/Degrees - 2nd Cycle

17% International Students

International Networks
CLUSTER, EIT-InnoEnergy, EIT-Health, TIME, CESAER, MAGALHÃES, ATHENS, HERITAGE

ENGINEERING, ARCHITECTURE, SCIENCE & TECHNOLOGY

Admission Requirements for International Students

- Foreign students other than EU Member States.
- Students that, when not nationals of a Member State of the EU, do not reside legally in Portugal for more than two years uninterruptedly.
- Students who hold a diploma of completion of secondary education (high school) or equivalent in their home country.

> When an applicant has two or more citizenships and one of them corresponds to an European Union Member State, including Portugal, he or she cannot apply for International Student vacancies, but he or she must apply for EU/National vacancies.

Students who don't fulfill the requeriments for International Student should contact the Admissions Office as soon as possible.
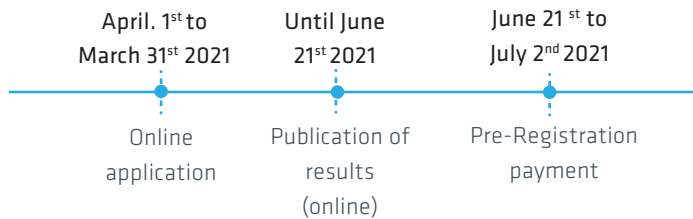

Applications 1st, 2nd and 3rd cycles

All selection, registration and enrollment processes must be concluded by September 30th.

1st Round/Call - 1st cycle Bachelor and 2nd Cycle Master

Jan. 1st to Fev. 19th 2021	Until March 8th 2021	March 9th-23rd 2021
Online application	Publication of results (online)	Pre-Registration payment

2nd Round/Call - 1st Cycle Bachelor and 2nd Cycle Master

April. 1st to March 31st 2021	Until June 21st 2021	June 21st to July 2nd 2021
Online application	Publication of results (online)	Pre-Registration payment

Two calls - 3rd Cycle - PhD

December 2020 or January/July 2021	February or September 2021
Submission of applications	Registration in person

LIVING COST IN LISBON

Accomodation (room) - 375-550€ per month	**Bus, metro/train pass -** 30€ per month
Accomodation (flats) - 550-900€ per month	**Cinema -** 7€
Accomodation* - 180€ per month	**Museums -** 2-15€
Meals - +/- 200€ per month **(student residency)**	

*up to 10 places - After payment of the pre-enrollment fee, an e-mail is sent to find out the student's interest in accommodation in the residence. Vacancies are allocated to candidates in the 1st phase and according to the best average grade. Deposit value of approx. 250 euros . Amount may change, contact Accommodation Office

Required Documents

Applications for a specific course/degree or study cycle programme are made online. The applicant must provide all the documents mentioned in the Regulation, as well as a motivation letter referring to the selected course or study cycle. To complete the application process it is necessary to submit the following scanned documents as PDF files:

- Recent photo
- Up-to-date CV
- Official academic transcript proving that you have completed secondary (high school) education or equivalent in the country of origin and proof of access to higher education examinations (this applies only to the applicant's to 1st study cycle)
- Official academic transcript of records of Bachelor degree and Diploma (this applies only to the applicant's to 2nd study cycle)
- Document specifying the type of grading scheme used on the academic records.
- Identification document / passport
- Document certifying the applicant's Portuguese language level (this applies only to the 1st study cycle).
- Statement under oath, that the applicant does not have portuguese nationality nor any other country nationality that is member of the EU and fulfills the requirements needed for the Access and Admission category for International Students.
- Bank transfer slip of the payment for the application fee.

Applicants should refer to the IST Regulations for Admission of International Students of 1st, 2nd, 3rd cycle for further information relating to documents and validation.
