VSRP

VISITING STUDENT RESEARCH PROGRAM

Located on the shores of the Red Sea, KAUST is an international graduate-level university with research opportunities that span disciplines in Science and Engineering. We ranked 6th in the world of the Global Top Ten Young Universities (New Nature Index, 2019).

Our Visiting Students Research Program (VSRP) is a unique internship that offers students the opportunity to conduct innovative research in one of over 100 projects spanning science and technology.

Selected applicants undertake research under the guidance and support of KAUST faculty mentors.

Eligibility

The program is open to driven students with insatiable curiosity and strong academic background that meet the below criteria:

- 3rd or 4th year Bachelors or Masters students
- Strong verbal & written English skills

Benefits

Students admitted into the program receive:

- 1,000 USD monthly stipend
- Free health insurance
- Travel costs (including visa & return flights)
- Bedroom & bathroom
- Access to KAUSTs Core Laboratories and major research facilities

UPCOMING WEBINAR
